# Electric Tool Kits

{ /Tool Kits/ n.  
Complete kits with all the necessary tools to  
clean just about anything around your home. }

### VSP15/VSP25--CleanSweep ElectroKit

A home or office with extensive areas of wall-to-wall carpeting may indicate the need for a premium electric brush. With the additional tools, these kits are ready to clean up more than just the carpet. They're equipped to clean hard floors and above the floor surfaces.

**VSP15** features  
Direct Connect  
Plug-In.

**VSP25** features  
6 ft. Pigtail  
Cord.

**Kit Includes:**
